Children with additional needs

Family Arena recognises that some children have additional needs or physical disabilities that require particular support and assistance. We will assess the individual needs of each child in consultation with their parents/carers prior to their attending the Holiday Activities, and will make reasonable adjustments to ensure that children can access our services and are made to feel welcome.

Where one-to-one support is required we will assist parents in accessing the funding required to provide the additional care.

Special Educational Needs Coordinator

Family Arena's Special Educational Needs Coordinator (SENCO) is Seyram Afenyo. The SENCO will:

- Manage the provision for children with special educational needs or physical disabilities.
- Be fully trained and experienced in the care and assessment of such children.

All members of staff will assist the SENCO in caring for children with additional needs or physical disabilities.
