## **Preventing Extremism and Radicalisation Policy**

### **Introduction**

WFCM/Family Arena is committed to providing a secure environment for children and adults where they feel safe and are kept safe. All adults in our organisation recognise that safeguarding is everyone's responsibility irrespective of the role they undertake or whether their role has direct contact or responsibility for children or not.

In adhering to this policy, all staff, including visiting staff, volunteers, students on placement and visitors will contribute to our setting's delivery of the outcomes for all children, as set out in s10 (2) of the Children Act 2004<sup>1</sup>.

This Preventing Extremism and Radicalisation Safeguarding Policy is one element within our overall arrangements to Safeguard and Promote the Welfare of all Children in line with our statutory duties set out in Ofsted's Common Inspection Framework, 2015, Inspecting safeguarding in early years, education and skills from September 2015, Safeguarding children and young people and young vulnerable adults policy, July 2015 and Statutory framework for the early years foundation stage, 2014.

Our setting's Preventing Extremism and Radicalisation Policy also draws upon:

- Keeping Children Safe in Education, 2014, DfE
- Counter-terrorism and Security Act, 2015
- Guidance to the Prevent Duty, DfE
- Protecting children from radicalisation: the prevent duty; July 2015
- Prevent: Resources Guide, DfE
- Social Media Guidance, July 2015,

### **Ethos and Practice**

When operating this policy we use the following accepted Governmental definition of extremism which is:

***‘Vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs; and/or calls for the death of members of our armed forces, whether in this country or overseas’.***

- There is no place for extremist views of any kind in our organisation, whether from internal sources –children, volunteers, learners, staff or management, or external sources - school community, funders, external agencies or individuals. The children see our organisation as a safe place where they can ask questions about the world and where our staff encourage and facilitate these opportunities.
- We recognise that extremism and exposure to extremist materials and influences can lead to poor outcomes for learners and so should be addressed as a safeguarding concern as set out in this policy. We also recognise that if we fail to challenge extremist views, we are failing to protect our learners and other users.
- Users can be exposed to extremist influences or prejudiced views from an early age which originate from a variety of sources and media, including via the internet. There may be times when service users may reflect or display views that may be discriminatory, prejudiced or extremist, including using derogatory language.
- Any prejudice, discrimination or extremist views, including derogatory language, displayed by users, learners or staff will always be challenged and where appropriate supported through discussion with individuals and the Code of Conduct for staff.
- Where misconduct by a volunteer or member of staff is proven the matter will be referred to the Local Authority.

As part of wider safeguarding responsibilities staff will be alert to:

- Disclosures by children of their exposure to the extremist actions, views or materials of others outside of the setting, such as in their homes or community groups.
- Graffiti symbols, writing or art work promoting extremist messages or images
- exposure to extremist material online, including through social networking sites

**Prevent Policy**

- Local authority services, and police reports of issues affecting children or adults.
- Use of extremist or 'hate' terms to exclude others or incite violence
- Intolerance of difference, whether secular or religious or, in line with our equalities policy, views based on, but not exclusive to, gender, disability, homophobia, race, colour or culture
- Our setting will closely follow any locally agreed procedure as set out by the Local Authority and /or the Safeguarding Children/Adults Board's agreed processes and criteria for safeguarding individuals vulnerable to extremism and radicalisation.

### **Teaching Approaches**

- We will ensure our teaching approaches help learners to build resilience to extremism and give them a positive sense of identity through Personal, Social and Emotional development and the promotion of critical thinking. We will aim to ensure that all our volunteers and staff are equipped to recognise extremism and are skilled and confident enough to challenge it in a way appropriate to children and learner's age and level of development.
- We will facilitate a 'safe place' for children and learners to speak confidently and openly about any worries or concerns they may have concerning their safety and will equip our children with the appropriate skills to become self-assured young people.
- This approach will be embedded within the ethos of our setting so that children and learners know and understand what safe and acceptable behaviour is in the context of extremism and radicalisation. Our goal is to build mutual respect and understanding and to promote the use of dialogue not violence as a form of conflict resolution.
- We will work with local partners, families and communities in our efforts to ensure our organisation understands and embraces our local context and values in challenging extremist views and to assist in the broadening of children's experiences. We will help support children who may be vulnerable to such influences as part of our wider safeguarding responsibilities and in such instances seek external support from the Local Authority and/or local partnership structures working to prevent extremism.

- At our setting we will promote the values of democracy, the rules of law, individual liberty, mutual respect and tolerance for those with different faiths and beliefs. We will teach and encourage children and adults to respect one another and to respect and tolerate difference, especially those of a different faith or no faith.

## **Whistle Blowing**

- Where there are concerns of extremism or radicalisation children and staff will be encouraged to make use of our internal systems to Whistle Blow or raise any issue in confidence.

## **Safeguarding**

- Volunteers and Staff at our organisation will be alert to the fact that whilst extremism and radicalisation is broadly a safeguarding issue there may be some instances where a child, children or learners may be at direct risk of harm or neglect. For example; staff may be aware of information about a child's family related to extremism that may place a child at risk of harm Therefore all adults working in our organisation (including visiting staff, volunteers' contractors, and students on placement) are required to report instances where they believe a child or learner may be at risk of harm or neglect to the Lead Safeguarding Practitioner or Project Coordinator.

## **Role of the Lead Safeguarding Practitioner**

The Lead Safeguarding Practitioner is:..Modupe Adefala.....

In line with Recommendation 2 of Peter Clarke's Report; In Little Acorns Colleton Pre-school , the role of the Lead Safeguarding Practitioner will be extended, at the appropriate time, to include the responsibilities of the PREVENT strand of the Government's counter-terrorism strategy.

## **Training**

- Training on Safeguarding and Child Protection will be organised for staff and management at least every three years and will comply with the prevailing arrangements agreed by the Local Authority and the Safeguarding Children Board and will, in part, include training on extremism and radicalisation and its safeguarding implications.

**Prevent Policy**

- The Lead Safeguarding Practitioner will attend training courses as necessary and the appropriate inter-agency training organised by the Safeguarding Children Board at least safeguarding implications.

### **Recruitment**

- The arrangements for recruiting all staff, permanent and volunteers will follow LA guidance for safer recruitment best practice in education settings, including, but not limited to, ensuring that DBS checks are always made at the appropriate level, that references are always received and checked and that we complete and maintain a single central record of such vetting checks.
- Safer recruitment best practice principles and sound employment practice will be applied and in doing so will deny opportunities for inappropriate recruitment or advancement. We will be alert to the possibility that persons may seek to gain positions within our setting so as to unduly influence our setting's character and ethos. We are aware that such persons seek to limit the opportunities for our children thereby rendering them vulnerable to extremist views and radicalisation as a consequence.
- By adhering to safer recruitment best practice techniques and by ensuring that there is an ongoing culture of vigilance within our setting and staff team we will minimise the opportunities for extremist views to prevail.

### **Policy Adoption, Monitoring and Review**

This policy was considered and adopted by the Board of Trustees and Management Team in line with their overall duty to safeguard and promote the welfare of children and learners as set out in the DfE guidance 'Keeping Children Safe in Education'

The effectiveness of this policy will be evaluated by monitoring the staff group's understanding and application of the procedures within this policy as their overall duty to safeguard children.
